Remarks:

Attached is the first list of antitrust cases received from the Department of Justice. I feel it is of primary interest to OO/C, but I would appreciate having it made available to Logistics, in the event any of the companies or individuals specified are of interest to that office.

I would very much appreciate any comments anyone

Reading the line has about the usefulness of this  
list so that we'll know whether or not we want to  
be kept on distribution and also whether it should  
be turned over to OCD or continue to be sent to  
the General Counsel's office.
